About Us

WHO WE ARE: Global Health Council (GHC) is the leading member organization devoted to advancing global health priorities by uniting advocates, implementers, policy makers, and other stakeholders.

Advocacy

GHC works across global health sectors to achieve the greatest impact: connecting dots, consolidating requests, and clearly and effectively communicating with policy makers.

Access

By providing access to information, resources, and expertise, GHC supports partners from donor countries, advocacy communities in low- and middle-income countries, and beyond.

Amplification

GHC amplifies critical global health messages by aggregating, aligning, and promoting the work of members and advocates.

What is WHA?

What: Decision-making body of the WHO

Why: Determines policies of the Organization, appoints the Director-General, supervises financial policies, review and approves the proposed programme budget. A specific agenda is prepared ahead of time by the WHO Executive Board.

When: Annually every May

Where: Official proceedings occur in the Palais des Nations, located near Place des Nations and Avenue de la Paix - in Geneva, Switzerland

Who: Delegations from the WHO Member States. Non-state actors (NSAs) in official relations with WHO allowed to make statements on select agenda items.

WHA77 Fast Facts

- Date: May 27th - June 1st
- Official WHA proceedings from 9:00 AM - 12:00 PM and 2:30 - 5:30 PM CET
- Expecting evening sessions to begin on Tuesday
- Six delegates are allowed for all NSAs in official relations
- All sessions will be livestreamed
